U.S. TVA ALLEN FOSSIL PLANT	MEMPHIS	SHELBY	TN	1
W. H. SAMMIS PLANT	STRATTON	JEFFERSON	OH	1

*After this report was released, Stanton Energy Center in Orlando, Florida informed EIP that the company mistakenly reported to the USEPA that their coal combustion waste is disposed of in a surface impoundment. Stanton Energy informed EIP that their coal combustion waste is actually deposited in a dry landfill. Stanton Energy intends to submit a revised Toxic Release report with the USEPA.
